Dear Rev. Phillip Sang C Rey-The President of Goahead Mission Inc.

Helping needed poor Nepali kids

We've been making the most of a break from the rainstorms to deliver educational bursaries to children in remote schools in Nepal. Children who can't afford the basics such as books and stationery are at risk of dropping out, making them vulnerable to being trafficked. It's thanks to your donations that we are able to provide these bursaries and keep children safe in school

80 children were given food today in slam of Katmandu while providing food for children every Wednesday.

This is the current situation at Kala School - floods mean that the school principal has to carry children across the river to take their exams.
